WHAT

Whether you are a trained professional or just starting your creative career, Apple has the software and tools you need to power your creative work. This unique event is where Apple power users and Final Cut Pro Professionals come together to learn and discuss their craft. We are excited to be back in Cupertino! The FCP Creative Summit features 2 full days of sessions in multiple tracks and a unique day at Apple!

WHERE

The FCP Creative Summit 2023 will take place at Apple Park and the Hyatt Regency Santa Clara.

WHEN

Apple Day will take place November 6, with training days to follow on November 7 and 8.
